

**¿Cómo son diferentes las casas de tu comunidad y la comunidad hispanohablante?**

For this speaking assignment you will compare houses in your community / culture and houses in the Spanish-speaking world. You are to discuss two similarities and two differences. You must also discuss what house you would prefer to live in and compare the houses to support your decision. Where there are **bullet points** you may **use words** (no more than 3 in length). Where there are just **titles or symbols** you are only allowed to use **pictures or drawings**.
